

From My Laptop to Yours.

My friend, **Phil Miglioratti**, will be coming to Austin in August. Phil is a consultant of sorts who has spent the last ten years of his ministry working with churches and ministries around the country. He leads, coaches, teaches, preaches, facilitates, writes, blogs, networks and prays to help churches and ministries take hold of prayer. Primarily working through the National Pastors' Prayer Network and Prayer INC, Phil is involved with many organizations who share his vision of connection people to God through corporate prayer.

There are a couple of ways you can see Phil and I hope that you and your church will take full advantage of his counsel. First, on **Monday, August 16th, from 6 PM to 8 PM there will be a gathering of church prayer coordinators.** If your church has designated a person as a prayer coordinator or if you are interested in starting a prayer ministry, this will be an opportunity for the Association's prayer coordinators to gather for prayer and training including information and resources on prayer walking.

The second opportunity to hear Phil will be at the Monthly Meeting on **Tuesday, August 17th, from 11:30 AM to 1 PM.** Phil will have the entire program to teach and lead us in prayer.

I would encourage each pastor and each church prayer coordinator to attend these events. I would also like to invite you to join me in fasting on Monday, August 16th for God's direction and blessing on our Association of churches.

Be sure to check out the summer opportunities in this newsletter - including the churches holding VBS soon and Baptist Night at the Round Rock Express game on July 26th. Also, please note the service opportunity with Urban Connection for the summer - what a great opportunity to touch our city! Remember there will be **no monthly meeting** at the ABA **in July**, so I hope to see all of you on August 16th and 17th during Phil's visit!

Volunteers Needed!

Urban Connection Austin is a local nonprofit agency that needs volunteers to assist in their delivery of lunches to kids in the lower income neighborhoods of north Austin this summer. This program, known as the Summer Food Service

Program (SFSP), is an extension of the free and reduced lunch program, sponsored in local schools by the Texas Department of Agriculture and the USDA. This year, UCA is expanding the reach of this program beyond the established sites in the city, like schools and recreation centers that have programs for children, to the places where these kids live, in an attempt to feed more than the 4% of eligible kids that were fed last summer. To accomplish this they need an army of volunteers. Most of the slots have already been filled, but many more remain.

Four sites have been designated for delivering meals, all of them within a mile radius of Rundberg Lane and IH-35. Volunteers need no previous experience or training to help. As the mobile delivery unit proceeds to each site, they will need 3 – 4 volunteers to spend one hour helping them distribute these lunches and interacting with the kids there. Their program begins on **June 14** and extends through **August 13**. Thank you for your support of this very important ministry.

University of Texas Baptist Student Ministry

The Baptist Student Ministry at the University of Texas will welcome a new campus minister this summer! Cody Shouse will take over the helm on July 1, 2010.

Please be in prayer for the Shouse family as they have a big summer ahead of them.

Cody and wife Stephanie are new parents to son Bishop AND they are moving from Corsicana where Cody was the campus minister at the BSM at Narvarro College.

If your church is not already involved with the BSM, now would be a great time to get in touch with them and see how you can serve students at UT this year.

Many thanks to Marcy Martinez who has “held down the fort” at the BSM for the last year!

Austin Baptist Association Training Team

New Churches

Existing Churches

Mission Churches

Do you need help?

WE can help with training and more!

The ABA has a Missions Training Team that can come to your church and work with your members to start, boost, or temporarily augment your church in Missions Education. This Training Team, previously a part of Women’s Missions and Ministries, is a new approach for Missions Education programs. It has been said that new churches and church plants have a 95 percent success rate when they follow certain guidelines that include missions education.

If you would like **help** in any of the following areas, contact Rita at the ABA office 454-2558 or call Virginia Kreimeyer at 259-3510. We offer ideas for:

⇒ Lesson planning for children’s missions education	⇒ Organizing mission groups/teams
⇒ Mission activities for children, youth or adults	⇒ Teaching all ages to give to missions
⇒ Curriculum for missions education	⇒ Promoting mission offerings

...and more!
